## UGMBC Corporate 7-Day Fast for May

Here's what we're going to abstain from during our corporate fast from May 1-7. The hours for this fast are 6:00 a.m. until 6:00 p.m. daily for all seven days. This is the same time frame as we did in April.

### **No Fried Foods**

(No fried meats, French fries, fried potato chips, fried rice, etc.)

### **No Meats**

(Chicken, beef, pork, lamb, ox tails, etc.) HOWEVER, FISH (salmon, tilapia, catfish, tuna, cod, etc.) IS ALLOWED THIS TIME!

### **No Secular Television, Radio, Movies, or Entertainment**

If you have already purchased tickets to a concert or some other secular event prior to your first notification of this fast, move forward with your plans. Set your DVR for the shows and games you're going to miss. However, **we may watch** Christian television networks such as, The Word Network, Trinity Broadcasting Network, Daystar, the Inspiration Station, etc. I highly suggest you plug into RightNow Media. RightNow Media is somewhat of a Christian version of Netflix. There are numerous Christian themed videos that deal with family, parenting, leadership, Christian living, single, etc. All members of Union Grove have access to this platform. Min. Brigitte Oglesby has information for accessing RightNow Media.

### **No Social Media**

*Pages for a day  
at the  
Georgia State Capitol*

**Kamari Hardee, Donna Smith, and Shannon Smith** were pages for Senator David Lucas on Tuesday, March 27, 2018.

A Senate page's "duties consist primarily of delivery of correspondence and legislative material within the Congressional complex". In order to be a page, a student must be sponsored by a senator and in Georgia they must be at least 12 years old.

The girls enjoyed their day and even got to listen in on some of what happens during the legislature. As a way to commemorate the day, they took a picture with Senator Lucas which will be mailed to them soon. They each got paid \$10.00 for the day, which was icing on the cake!

### SPRING HAS FINALLY ARRIVED!

It officially arrived on March 20<sup>th</sup>; however, the spring weather arrived this week. Hopefully we are finished with the cold. It's April. We finally got our taxes done last week. Hopefully you have finished your taxes and are either have or are anticipating a refund or like me waiting until April 17<sup>th</sup> to mail in the dreaded tax payment. God is good. If I'm paying, that means I had more income than I anticipated and Uncle Sam wants his cut.

For those of you getting sizable refunds don't let it get away. Remember to stick with your written plan for that money. You have been waiting for the last six months so don't blow it. Check out the February and March GTAHS for my suggested list of ways to use that refund. Here is just a couple more:

1. *Pay that credit card bill you just made while on spring break with your family.*
2. *Pay off that relative you have owed for a few years. This should greatly improve family relationships.*

We have finished the first quarter of the year. It's time to get a copy of your credit report. Go to [www.annualcreditreport.com](http://www.annualcreditreport.com) to obtain a truly free copy. You can't go to the same company from which you got the first one. Remember, only one free report per agency. The companies are Equifax, Experian, and TransUnion. Check each item to see if the report is accurate. If there are any discrepancies, follow the instructions contained with the report to file a dispute.

Don't pay for your credit score. Most banks and credit unions have begun to provide it for free. The next time you log in to your account, look for an icon or note to see what your score is. If the number is below 700, set a goal to get it up. Don't ignore it. Low scores cost you money. It determines the interest rate you pay for your home, car, how much you pay for insurance, whether you will be able to rent an apartment or house, and in some cases whether you will be able to get that job you want.

### \*\*\* SCAM ALERT \*\*\*

- Don't get scammed by "credit doctors". The only way to permanently fix your score is to get inaccurate information off and to pay your bills on time.
- The IRS does not accept payment of overdue taxes via money card. They have started using third party collection agencies, but they will *always* send you numerous letters first. They will not threaten to have you arrested if you don't run out and buy a Walmart card. Hang up and call the police. Be sure to write down the phone number they called you from.

## Security Ministry

Greetings, we're asking you to help us with ensuring that proper security measures are being utilized when securing the church. We're asking that anyone remaining behind in the sanctuary after service is over, to please exit the building through any of the doors in the church office area. These doors will automatically lock and will allow our security personnel to concentrate on securing the front of the church. Your assistance will make our church that much more safer and secure.
