**~ VISION STATEMENT ~**

*"To be a global network of learning, loving and life transforming ministries where hungry worshippers are discovering and walking in their God-given purpose with exceeding great joy".*

Thanks for all the kind words regarding Tenisha & Rubin's wedding! Here are some details as to why it went down the way it did.

Tenisha had become frustrated with the whole wedding planning logistics-cost, venue, guest list, etc. They went from wanting a wedding in Savannah to a destination wedding to having something here in middle Georgia. Still never settled on a venue, which added to her frustrations.

Her best friend was killed in a motorcycle accident Tuesday night. She flew to Charlotte Wednesday and she and Rubin have been back and forth to ATL to help her friend's mom get her stuff out of her apartment and etc. So, Wednesday night she and Rubin talked about getting a license and getting married while they're here this week. I proposed coming to the church and getting married in the sanctuary after I wrapped up our quarterly business meeting. So, they got the license yesterday morning and got married last night. Some of my members stayed to watch the impromptu ceremony and five of us (me, Chelle, Nisha, Rubin, & his best friend's mom) went to Mellow Mushroom to grab some pizza afterward.

Praise God for the Sloans. Thanks, again, for the encouragement! Enjoy the journey! 4/26/19

- The kingdom of God is a promise to be realized!
- Jesus put some "used to be" in your life.

- Because you're filthy does not mean that you are finished! God washes us and cleanses us!
- Some of the churches are messy because they have "fans" of God and not "followers" of God!

Memorial Day is an American holiday, observed on the last Monday of May, honoring the men and women **who died while serving in the U.S. military** (not to be confused with Veterans Day which is observed annually on November 11 for honoring military veterans, that is, persons who have served in the United States Armed Forces.).

Originally, Memorial Day was known as Decoration Day, meant to honor the Union and the Confederate soldiers who died during the American Civil War. By the 1900s it had become a day to celebrate all American soldiers who died while serving in the military. It wasn't until 1967 that it was legally named Memorial Day and it became an official federal holiday in 1971.

***Did you know?***

*Each year on Memorial Day, a national moment of remembrance takes place at 3:00 p.m. local time.*

### IT'S APRIL!

Sister Wanda Verrett

It's really April already. We're in the second quarter of 2019! You can't tell it by the weather this year. Usually we rush through spring and hit summer. This year we don't know when winter will end. It officially ended on March 19<sup>th</sup>; however, we're still experiencing cold mornings.

**It's tax time.** The official filing date is April 15<sup>th</sup>. We got our taxes done last month. It was a good news/bad news story. Refund from the state and payment to the federal. Auntie Georgia will pay Uncle Sam. We got Trumped! The new tax laws got us and probably some of you. Things looked good when we got the new withholdings, but now the details of the tax law have come out. Many of the deductions we use to get are gone.

For those of you getting sizable refunds don't let it get away. Remember to stick with your written plan for that money. You have been waiting for the last six months so don't blow it. Here are just a couple suggestions:

1. *Pay that credit card bill you just made while on spring break with your family.*
2. *Pay off that relative you have owed for a few years. This should greatly improve family relationships.*
3. *Put some money away for Christmas or your summer vacation.*

Now that your taxes are done, it's time for some of you to immediately prepare your FAFSA (Free Application for Federal Student Aid). The deadline is June 20<sup>th</sup>; however, some schools have earlier deadlines. In any case, you use the information from your tax return to prepare the FAFSA. There are also lots of scholarships available. Check with your guidance counselors for ideas or leads.

**NOTE:** Student load debt is out of control. There is nothing wrong with living at home while going to school. Don't borrow money to pay for room and board or an apartment. If you can't afford to live on campus, commute from home. Getting into debt isn't worth it. Once you have that degree, no one asks you where you lived? As a matter of fact, most people don't care about the school you went to. Don't pay extra for an education that you could get somewhere else. Why pay out of state fees for a degree that you could have gotten from some school in Georgia? Why pay private school tuition when a state college can provide that same degree? Parents let your children know how long it has taken you to pay back your student loans or that you are still paying them. Help your children get a debt-free or nearly free education.

**SCAM ALERT:** The IRS does not accept payment of overdue taxes via money card. If you owe back taxes, they will ALWAYS write you a letter.

## Security Ministry

Greetings, we're asking you to help us with ensuring that proper security measures are being utilized when securing the church. We're asking that anyone remaining behind in the sanctuary after service is over, to please exit the building through any of the doors in the church office area. These doors will automatically lock and will allow our security personnel to concentrate on securing the front of the church. Your assistance will make our church that much more safer and secure.

Thankyou,
