~ VISION STATEMENT ~

“To be a global network of learning, loving and life transforming ministries where hungry worshippers are discovering and walking in their God-given purpose with exceeding great joy”.

Don't Ruin the Greens!

Dr. David Anthony Clarke, Sr.

I shared the following illustration at our recent Ministry Workers' Workshop. Imagine someone is cooking a pot of your favorite greens. It may be a pot of collards, mustards, turnips, kale, cabbage, etc. It has all of your favorite ingredients in it. After cooking for some time, you check the pot and notice the water has run low. What do you do? Put more water in it, right? Right! So you just finished mopping the bathroom and kitchen floors and decide to take the used, filthy water from that mop bucket and put some in the pot of greens. Eeewwwwwww! Yuuuuuuuuck! The pot of greens is ruined! The great ingredients are now null and void because of the nasty, filthy water from the mop bucket. Who would want to eat those greens now? No one!

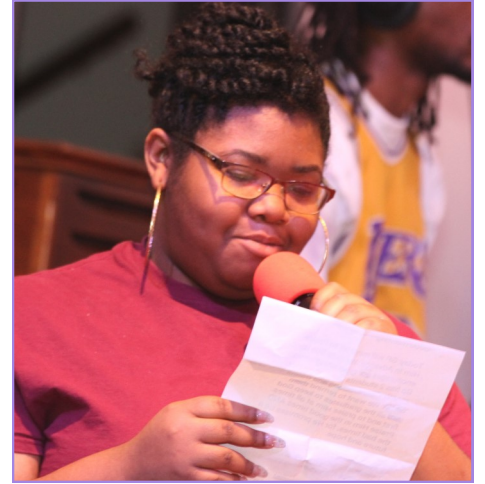

Union Grove is an awesome congregation because of its wonderful ingredients. The Lord is with us. That's the best ingredient of all! Then, there are some loving, kind, generous, wise, caring, anointed, patient, and hospitable people who are the best people you could ever know. There are people in the Grove Zone committed to learning, serving, giving, and connecting and they do their part to make our ministry *do what it do* with excellence. God has graced Union Grove with incredible leaders with amazing backgrounds, skills, and insights that make it a joy to serve in the Lord's Church. However, there's used, nasty, filthy mop water of resentment in the Grove Zone pot. Despite all of the good ingredients the Lord has deposited in our ministry, members harboring resentment is deteriorating the taste of our Grove Zone greens.

Let's get rid of resentment. If you are harboring resentment toward your Union Grove brother or sister, get rid of it. Doing so would demonstrate a love that loves...regardless. A love that is "patient and kind...not jealous or boastful or proud or rude. It does not demand its own way. It is not irritable, and it keeps no record of being wronged" (1 Cor. 13:4-5 NLT). This love is the type of love we receive from God. God loves us regardless of our faults, failures, and frailties. It is unconditional. He expects us to love one another with the same love. This love proves to the world we are disciples of Jesus (Jn. 13:35).

If you are harboring resentment toward your Grove Zone brother or sister, get rid of it. We are commanded to resolve our offenses (Matt. 18:15-17). To do otherwise is an act of disobedience. We must forbear and forgive one another as the Lord has forgiven us (Col. 3:13). Let's clothe ourselves with unconditional love—a love that loves...regardless (Col. 3:14). This love will make the Grove Zone taste better!

On Saturday, May 18, the Youth Ushers ventured out to visit with the residents at *The Lodge* on Kimberly Road. There, they played bingo, colored and played checkers with some of the wonderful residents. By the looks of it, the youth had just as much fun as the residents did!

Afterwards, the youth traveled to Pizza Hut and had a fun-filled fellowship to celebrate our 2019 High School Seniors.

Summertime!!!

School is out! Vacation time begins. What to do with the kids during the day? There are summer camps all over town. Just Google “summer camps near me”. Hire a teenager to keep them at your house. Ship them to grandma for the summer (Not me). If they stay home, stock up on lots of food. When they finally wake up, they head straight for the kitchen.

I don't know what's happened, but I received three different scam calls in one week.

1. **The old grandchild scam** – The young man on the phone said “Hey grandma! I said hey back. He proceeded to tell me he had been traveling and had gotten into some trouble. I asked which grandchild this was. He couldn't give me a name. He just kept trying to stick to his script as he didn't have much time. He told me to write down a case number that the public defender was going to call me. We hung up and sure enough some guy called to say he was the assigned public defender and wanted the case number my relative had provided. I didn't even wait for the money pitch. I proceeded to tell him what a low life he was for trying to scam people.
2. **Computer scam** – Some guy called to say my computer had notified him that it had been hacked and if I allowed him access to my computer, he could straighten it out. I was busy so I just hung up.
3. **I had won a grant** – Some young lady called to tell me I had won a government grant. I said I never applied for a grant. She stated that because I was a good citizen and paid my bills on time and hadn't been in any trouble, the government was giving me a grant. Praise the Lord! All I had to do was go to my closest Walgreens or Walmart and purchase a \$100 money card, give them the card information and they would put the money on the card. So easy. BYW I'm still on my way to the store to get that card.

Please be mindful that there are a lot of people out there working hard every day to get our hard-earned money.

This is not a scam, but a lesson learned for me. I bought a Green Dot card (first time) to use on our recent vacation. It cost me \$4.95 to purchase the card and add money. Before I could use it, I had to activate it, \$7.95 per money. After not being able to use it while on vacation, I tried to get my money back from the card. That cost me another \$3.75. That lesson cost me \$16.64. For those of you using money cards to pay your bills, a checking account at a bank or credit union would be much cheaper. I won't be using that again.

Congratulations!!!

Yes, African Americans Can Get **SUNBURN**

It's summer! Not only can African Americans get sunburned, you are also at risk for skin cancer if you do not take the steps to protect your skin from the sun.

Be sensible about your sun exposure.

Wear sunglasses with 100% block of UVB and UVA or a hat with a brim.

Do regular skin checks looking for changes in moles or ulcers.

Use sunscreen daily throughout the year. You can choose facial moisturizers with sunscreen as well.

Use a sunscreen of SPF of 15-30 and reapply every 2-3 hours depending on the time you spend in the sun.

Avoid using sunscreen sprays, especially for children.

Security Ministry

Greetings, we're asking you to help us with ensuring that proper security measures are being utilized when securing the church. We're asking that anyone remaining behind in the sanctuary after service is over, to please exit the building through any of the doors in the church office area. These doors will automatically lock and will allow our security personnel to concentrate on securing the front of the church. Your assistance will make our church that much more safer and secure.

Thankyou,
