### DON'T PANIC!

Sister Wanda Verret

If I turn on my TV, “BREAKING NEWS” is everywhere. This new Coronavirus is spreading. What do I do? The virus has caused uncertainty in the stock market and it is going down every day. What should I do?

Don't panic. Even though the virus is in our state, it is thus far contained to two people in Fulton County and their family. They are quarantined and we should be fine. On the other hand, there may be other people bringing this virus or the flu in that are unaware they have it. We can protect ourselves a little bit by (1) Washing our hands frequently, (2) Not touching every surface we see, (3) Being aware of others in a crowd, i.e. is someone coughing, sneezing, having difficulty breathing, etc. If they are not family members, remove yourselves from their immediate vicinity. If you work in the public arena, get your instructions from your supervisors. Do as much as you are allowed in your workspace, wearing gloves, spraying disinfectant, or using wipes as often as possible.

As far as the stock market is concerned, let it ride. I expect to live to about 90 unless some drastic accident or illness comes out of the blue. Life expectance for most of us is at least another ten to twenty years past retirement. If you want your nest egg to give your 30 years into retirement, don't pull it out. First, you will have an enormous tax bill. Second, it won't give you the return you need to sustain your lifestyle in years to come.

Hopefully, they will have a vaccine for this virus within the year. The stock market will recover, and stocks will go back up. Now is the time to invest while prices are low. Remember the old saying, “Buy low, sell high”.

It's not too late to put extra money away in your 401K to help reduce your 2019 tax liability and increase the amount you are setting aside for your retirement.

It's tax time again. If you are expecting a refund this year, make a written plan to use it wisely. Here are a few of my usual recommendations:

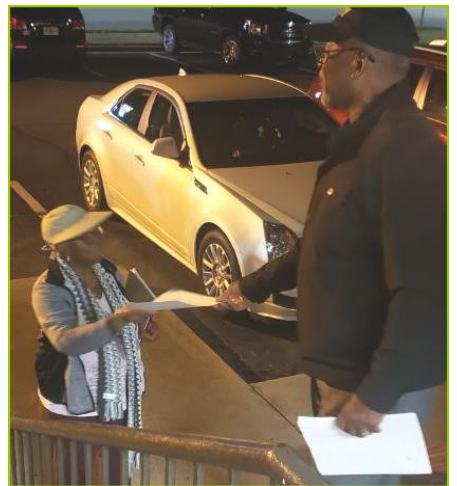

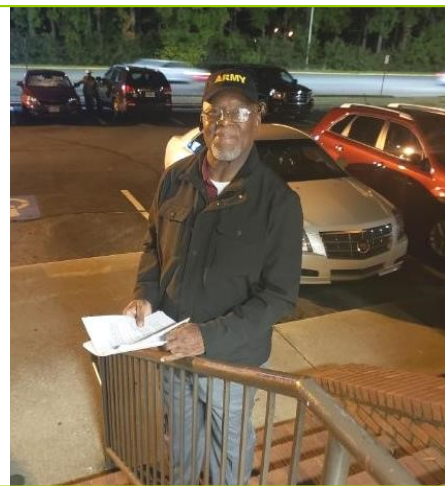

1. Pay down your debt.
2. Invest in your home. Make those repairs or upgrades you have been talking about.
3. Start an education fund for your children/grandchildren.
4. Start or contribute to your Individual Retirement Account (IRA).
5. Set money aside for vacation or Christmas 2020.
6. Make an extra offering to your church.

NOTE: There are numerous virus and tax scams out there. Hold on to your money. Don't give out your account numbers, SSNs, Medicare/Medicaid numbers to anyone you haven't called. Remember, they made a copy at the office at the beginning of the year. They don't need to call.

## ~ NURSING HOME MINISTRY ~

### Southern Pines Nursing Home and The Lodge

Acts 2:42 – “And they continued steadfastly in the apostles’ doctrine and fellowship, and in breaking of bread and in prayer.”

The Nursing Home Ministry consists of Elder Milo Bradley, Minister Arie Freeman, Minister Annie Lester, Sister Lenora Jones, Deaconess Shirley Clark, Deacon Monroe Clark, Deacon Jimmy Oglesby and Deacon Curtis Jackson

Greetings everyone; we are happy to share with you the latest information on our fellowship and communion with our members and others at The Lodge and Southern Pines Nursing Home. All the members of the team were available to share and be a part of the ministry on March 1<sup>st</sup>. As always we are excited to share the Good News with the residents at both locations. Several of the workers who don't get the opportunity to be at their home church join in with us with singing and praise as well as partaking of the Lord's Supper.. On Sunday, March 1<sup>st</sup> the Communion team administered communion and enjoyed an uplifting Worship Service with singing, prayer and sermonette. The patients are always happy to see us and are thrilled with their new facility. It was great having Deacon Curtis Jackson with us as his work schedule is hectic. We are delighted to have Sister Lenora Jones join the team.

At The Lodge, we ministered to our very own Sister Helen Doe and Sister Maggie Bradley as well as others at the facility. We administered communion to four residents and enjoyed an uplifting Worship Service with singing, prayer and a brief message. God continues to bless our endeavor at both locations. These Senior Citizens may be wheel chair bound but they enthusiastically worship and praise the Lord with all they have. Continue to Pray for our members as well as the others at both locations. Feel free to join in with us as we do the will of God. Just know that prayer changes things and makes a difference.

# ~ PRISON MINISTRY ~

**MINISTER ARIE FREEMAN, JR.**

**Matthew 25:26, 40 – “I was in prison and you came and visited me ...”**

Bro. Robert Murphy, Mother Mattie Howard, Min. Earnestine Thompson, Min. Annie Lester, Dea. Donald Woodard and Dea. Slater Thorpe preparing to leave for Dooly.

Greetings everyone; we continue to praise the Lord for the awesome things He is doing in this Ministry. We planned for another night of Praise and Worship at Dooly State Prison on February 8<sup>th</sup>, but unfortunately, when we arrived it was cancelled at the last minute due to internal problems at the facility. Being a part of this Ministry will have its ups and downs but we continue to be obedient to the call. Thankfully, we weren't inside and were not in harm's way. We arrived ready to worship and praise God, however we have no control over the internal workings of the prison. Just know that the enemy is always busy but we must not let this curtail what God is doing. We will be heading to Dooly on Saturday, March 14<sup>th</sup> to fellowship and worship with the inmates. It's always a pleasure fellowshiping and hearing the Dooly Male Choir sing. These men are very uplifting in their praise and worship.

Members who made the trip were Ministers Marie Anderson, Arie Freeman, Annie Lester, and Earnestine Thompson, Deacons Slater Thorpe, Donald Woodard, and Jimmy Oglesby, Mother Mattie Howard and Brother Robert Murphy. Brother Murphy hasn't been able to attend for a while due to illness. God continues to provide us with what we need and He gets all the Glory for what we do. Continue to pray for this Ministry as we continue to spread the Good News of God's Word and fulfilling "The Great Commission", of witnessing to the inmates.

Chaplain Sapp sends his THANKS and those on the inmates for the boxes of supplies which were delivered on December 30. Your thoughtfulness and generosity as always, is greatly appreciated. May God continue to bless this Ministry as we share the Good News of Jesus Christ.

## ~ NAOMI AND RUTH ~

Loyalty, Faithfulness and Commitment

*Minister Arie Freeman, Jr.*

**Ruth 1:16 – “Your people will be my people and your God will be my God.”**

Ruth, a non-Jewish Moabite woman, who is responsible for the long line of Israel kings.

We've embarked on a study of faith from Hebrews 11. We've examined the lives of Abraham, Isaac and Jacob and quite a few others in the Faith Hall of Fame. The author explained that time does not permit to tell about others such as Gideon, Barak, Samson and the prophets. We are told in Hebrews 11:39 that "all of these individuals pleased God because of their faith. But still they died without being given what was promised." Ruth is not mentioned in Chapter 11. However, she embodies all the attributes necessary to be included in HoF. Ruth had loyalty, faithfulness, and commitment.

In Ruth, we see a woman who has lost everything and it appears everything is going against her. Yet God used this vessel to start a lineage that led to a legacy, that eventually brought forth our Lord and Savior Jesus Christ.

What can we learn from the Life of Ruth?

1. God can and will use anyone to fulfill His purpose.
2. Don't allow troubles from your past dictate your future destiny.
3. Never give up. Keep striving and pushing forward.
4. Know that In God, there is always hope.

## ~ Selma to Montgomery ~

With Governor George Wallace refusing to protect the marchers, President Johnson committed to do so by 1,900 members of the Alabama National Guard under federal command and many FBI agents and federal marshals, on Sunday, March 21, 1965. The third march began with about 3,200 marchers setting out for Montgomery, walking, averaging ten miles a day and sleeping in fields.

They arrived in Montgomery on March 24 and the state capitol on March 25, 25,000 strong, entering the capitol city in support of voting rights. The Voting Rights Act became law on August 6, 1965.

**Are you registered and will you go out and vote at every election, local and national???**

Congressman John Lewis

At the first march, Alabama State Troopers attacked civil rights demonstrators, including a young John Lewis outside Selma, Alabama on **Bloody Sunday**, March 7, 1965.

The second march took place on March 9, confronting troopers and police at the county end of the bridge, but when troopers stepped aside, Dr. King led them back to the church, obeying a federal injunction while seeking protection from federal court for the march. That night, a white group beat and murdered civil rights activist James Reeb, a Universalist Boston Minister.

## Security Ministry

Greetings, we're asking you to help us with ensuring that proper security measures are being utilized when securing the church. We're asking that anyone remaining behind in the sanctuary after service is over, to please exit the building through any of the doors in the church office area. These doors will automatically lock and will allow our security personnel to concentrate on securing the front of the church. Your assistance will make our church that much more safer and secure.
