MARCH RECAP

Minister Arie Freeman, Jr.

I Cor. 12:1, 28 – Now concerning spiritual gifts ...And God have set some in the church, first apostles, secondarily prophets, thirdly teachers ...

Adult Sunday School Teachers

Elder Connie Dinkins, Brother Michael White, and Minister Arie Freeman, Jr.

Our study for this quarter looks at the First letter Paul writes to the Church at Corinth. Paul had been told about the division within the Church and some of the things that were happening. Paul writes to address these issues. The Corinthian church is a newly started church. Paul spent 18 months there and was now in Ephesus. We get to see how Paul rebukes and challenges the Corinthians. There is always room for growth for no church is perfect. For the month of March Brother Michael White and Minister Arie Freeman facilitated the lessons. This quarter, lessons will be dealing with **Training**, which is the theme for the quarter. Unit I was titled **Instruction to a Troubled Church**.

Unit 1: Instructions to a Troubled Church:

Lesson 1: Division in Corinth: This lesson begins with Paul getting word that there is trouble brewing in the church amongst the members. This church is situated in what could be considered an international hub for visitors. Foreigners are constantly coming and going. Corinth was once under Greek and Roman authority and worldly ideology. Idol worshipping and lack of unity. Paul begins his letter by greeting and praising the members. This is Paul's approach in all the letters he would write from Romans to Philemon. There is division because of backsliding, taking sides, choosing who to follow, and leaders overlooking serious wrong doings. Paul reminds them that all they need is Christ, and they should be grateful. Paul encourages them to be of the same mind. Paul had gotten word that they were choosing who to follow as if Christ is divided. Some chose Apollos, some Cephas, some Paul, and some chose to follow Christ. The point is this is only one we should follow, Jesus Christ. He was the one who died for us, crucified on that Cross, raised to life by God, and now sits at His right hand. Christ is the one we owe our Salvation and righteousness. There is no favoritism in Christ. When we follow the teachings of Christ, we are heading in the right direction. The people that were trying to follow were saying things that appealed to their way of thinking. We should have only one leader and that leader should be Christ. **Points to remember** (1.) We must continue to study the word for ourselves and examine everything others may say. (2.) God is not divided is word is for everyone. You have a choice. (3.) Others my speak with eloquent words that sound good. But everything that sounds good is not good. (4.) Always look to Jesus in all you say and do.

Lesson 2: True Wisdom: Some might say that Corinth was not an ideal place for Paul to start a church. Corinth was an international hub. People were coming in and out. It was a commercial port which was governed by Greeks and now Rome. The people were accustomed to worshipping idols and they were young in the faith. Weak Christians, Immature Christians. The prophecy of Isaiah has come to reality and Jesus is born. Paul made a point of letting them know that while it seems foolish to them, it was the power of God that drew them to Him. It was Apollos, Peter, or Him. God took a nobody and made them somebody. While you are seeking worldly wisdom, true Wisdom comes only from God. The things Paul preached seems foolish to them because Christ was crucified. Paul and those with him were committed to preaching the gospel. There is no comparing the wisdom and strength of God with that of the world. Paul reaffirmed to them that none of them were wise, noble, or intellectual, yet God chose them. God takes the foolishness and weakness of the world to confound the wise. You have nothing to boast about because it was all God. We have a new identity in Christ. Our salvation is because of Christ. Our righteousness, sanctification, and redemption can only be found in Jesus. If we boast, we boast only about God. **Points to remember:** (1.) Human skills and knowledge will never be better than God's. (2.) The things we think are foolish, God uses them to demonstrate His supremacy. (3.) We should not let our intellect and philosophies keep us from trusting God. (4.) Godly wisdom is humility, service, and compassion while worldly wisdom is pride, boasting, and material success.

*Learn * Serve * Give * Connect*

Lesson 3: Christ – Our Only Foundation: It is very important to have a solid foundation from which to build. Every builder understands that structures need a solid foundation. The Church must also be built on a solid, firm foundation. Jesus saw in Peter the foundation needed to build the church. Peter's divine inspiration to Jesus' question who do you say I am? Peter responded "You are the Messiah, the Son of the Living God. Jesus is the foundation of the church, and each member of the body must build from this foundation. When Paul left Corinth, Apollos came behind him and continued to build on the foundation that Paul had laid, which was in Jesus Christ. We are the church and the body of Christ and God's Holy temple. God's temple must not be defiled. We don't know it all and should not act as if we do. All our worldly wisdom is useless apart from God. We must not place our hopes and values in the wisdom of humans. Our riches and rewards in Christ are much more than man's. We must dig deep into the Word of God and have an established prayer life. We must follow the basic doctrines of the Christian faith. We must remain firmly fixed on Jesus for He is the solid foundation from which we build. On Christ the solid rock I stand all else is just quicksand. **Points to remember:** (1.) Jesus is the only foundation from which we teach. (2.) Our churches, our homes, and our families must be built on Jesus. (3.) We are the temple of God and His Holy Spirit dwells in us. (4.) We must be faithful to God's word.

Lesson 4: Members of Christ: In this lesson we are told that we are free to do anything, but that freedom comes with a price. Sexual immorality will ruin the body. Our bodies are the temple of God and sexual immorality corrupts the temple. Brother White emphasized from Chapter 5 that the church should have condemned the man for having sexual relations with his father's wife. If we cannot judge simple matters, how will you be able to judge larger more complex matters. The introductory comment to the lesson makes two very pointed statements. What are we living for? Who are we living for? These are questions every born-again believer needs to address. We were created to serve the Lord and our bodies belong to Him. We are part of Christ, and we must take care of our bodies. Sexual sins defile the body, and we should avoid sexual sin. We are told to Flee fornication, run from sexual sin. No other sin affects the body as does sexual immorality. Our bodies are the Temple of the Holy Spirit. Our bodies do not exist for our own pleasures, and we cannot do whatever we please with it. We are members of Christ. **Points to remember:** (1). We have spiritual freedom in Christ Jesus. (2). The way we live has an impact on those around us who do not know Christ. (3). We have been bought with a price, The precious blood of Jesus. (4). We must pursue holiness in all we say and do. (5). We have one foundation, and that foundation is Jesus Christ.

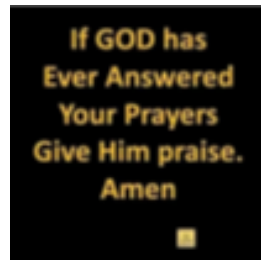

In April we will finish up Unit 1, [Instructions to a Troubled Church](#) with lessons 4-8, all from 1 Corinthians, Minister Freeman will facilitate.

My prayer is for God to continue to bless this ministry as we strive to share the Good News of Jesus Christ our Lord and Savior.

The Power of Prayer

By Jacqueline Powell

What a difficult life we've endured the last two years. However, it's such a wonderful comforting feeling to know that no matter what we might get ready to tell him He already knows. We know that we should talk to Him, AKA pray to ask him not to impress Him but to have fellowship with him. Hopefully, with this fellowship, we will learn to depend on Him. We know that this "communication" with our Heavenly Father will bind us to Him.

It's such a refreshing feeling to know that God understands our prayers even when we can't find the words to say. We might be too burdened or confused when we try to talk to our Father, but nonetheless He hears and understands our prayer. Although we have confidence that He hears when we pray out loud, it's refreshing to know He hears our silent prayers also. He knows all about us and knows what is going on inside us. One of my favorite means of "praying" is to sing a song to talk to my Heavenly Father. Just as we use scriptures to pray, songs will also connect with our emotions and help us express what's in our hearts. It's so refreshing to know that with music in our lives it has a magnetizing ability to speak with our hearts and minds. We as His children thank God for the privilege of prayer and we know we can cast all our cares on Him. We are blessed to be receivers of His greatest gifts to us, the privilege of prayer.

Welcome Spring

It's April already! April showers bring May flowers. Well, we have the showers and the flowers this month. My car and porch are yellow with pollen. Those of us suffering with allergies know that each spring we will be sneezing, coughing, and having itching eyes. We take medication or simply stay inside to

Sister Wanda Verrett

relieve or eliminate these symptoms.

Much like preparing our bodies for spring, we must prepare our finances. What can I do to relieve some financial stress in my home?

1. It's tax time. Unless you get an extension, your taxes should be filed/mailed NLT April 18, 2022. Getting my taxes done in a timely manner takes an enormous amount of stress off my shoulders. You should have all your documents together by now. If you will be getting/got a refund, please manage it wisely.
 - a. Pay off at least one bill. If it is a major credit card, leave the account open and only use it once per year.
 - b. Start your emergency fund. A little goes a long way these days. If your dishwasher goes out (Ours just did.), it can cost you quite a bit. Installation and hauling off the old one is extra. Just saving \$25 or \$50 per month will add up quickly.
 - c. Start that education fund for your child you have been talking about when they were born. They're starting school. Come on.
 - d. Start your retirement fund. Time moves so fast. In the blink of an eye, you're at retirement age with no money. Save for that summer vacation. You won't have to use/run that balance back up on that credit card.
2. It's spring planting time. Some of us spend a great deal of money on our lawns, flower beds, and lawn furniture. Now is not the time to buy the furniture; however. We should have bought at the end of the season last year. Too late for that now.
 - a. If we can, try to make it thru the summer with what you have and purchase new items in the fall.
 - b. Look for low-cost items on deep discounts each week. These are the items that lure you into the store. Buy just those items each week. If you go back week after week, they will still let you shop. They will make money and you will save money.
 - c. Bulbs should have been purchased and planted in the fall. Remember these this fall.
3. There's still time to contribute to your 2021 IRA. You have up until April 18, 2022 to add to your IRA unless you have already contributed the maximum.

April 2022

Minister Earnestine Thompson, Leader

February was a short, but busy month. We had a lot to celebrate in the month of February - Birthdays, Mental Health, Women that made Black History and Red Cross Blood Drive donations to be collected.

We are women of God wonderfully made. As God's people we have all the more reasons to take care of our temple. Our heavenly father wanted you with all his heart. He cares for you endless love and compassion. We should thank our father for the care he took when he made us. We should ask him to teach us to care for ourselves and others because disobedience lead us astray. He made us for services, joy, witness and to make a difference in the world. He equipped us to do our work, that's why we need to take care of our bodies. He 's always at work remaking us in Jesus' image, he's always there for us. We are women of faith. We should always be on the job of pleasing God and not man. Taking care of the temple by eating properly, exercising, keeping our doctor's appointments and staying in the word. Please don't forget to thank and give God his daily praise for all he's done for you and others. Success does leave footprints and memories.

Drink more water because water can help prevent a lot of illnesses. It should be a beverage of choice. Body can't survive for more than three days without water. Water is essential for every bodily function. No other liquid can sustain your body like water, body needs certain amount of water to function. 80% of the human brain is water, lungs are 79% function and 76% carries every other function in the body. Every function in the body is dependent on steady supply and flow of water. Water can help prevent and kill cancer cells better than dose of radiation. Water transports hormones chemicals and nutrients that are vital to efficient to organs functions. Without water we would not be able to digest or absorb minerals and nutrients and our kidneys would fill with toxins. Have you ever thought about water in this way? Water keeps the skin vibrant and beautiful, it escorts toxins from body, improve our energy, support healthy melatabins, it removes body heat, lubricate the joints, improves mental/physical performance, support digestion and different type of skin issues. Water can help with the following illness also. Arthritis, gout, fever, osteoporosis, heart diseases, constipation, hypertension, sleep disturbances, yeast infections, colds, blood sugar, bladder infections, kidney stones, asthma/seasonal allergies and many more. We should drink at least eight glasses of water daily and your body will thank you especially if you drink a lot of sodas and fruit juices. We can put strawberries, blueberries and lemons in water to supply a delicious taste for change in the taste of the water.

March is also the month for a lot of blood drives. People need blood donations for lot of reasons, surgery, accidents and illness, so let's donate every chance that we're eligible which is every quarter. Type O is hero type which anyone can use so let's roll up our sleeves and save someone's life.

Happy Birthday to all of our March people take care of yourselves because you belong to God so keep his temple healthy and full of the word.

Min. Mary & Deacon Charles Lenoir and Family

~ Thanks So Much ~

The phrase is simple and the words are few, but behind them is a whole lot of appreciation.

The Jones & Stephens Family would like to thank Union Grove Church for their support, love and generosity during the death of our daughter, Tangela Jones. We will always cherish your love and kindness in the Name of Jesus Christ.
