Dear Union Grove Missionary Baptist Church,

We would like to thank you for reconnecting with Pearl Stephens and thinking of our staff and students with your very generous donation of bicycles, candy and pencils for our students and gifts for our paraprofessionals.

Pearl Stephens believes that it takes a village to raise a child. Partnering with our community to help motivate our students in academic achievement is critical to their success.

Thank you for helping to support Pearl Stephens Elementary.

With sincere thanks,

Mrs. Gloria Smith

### **I Remember Mama**

I remember mama,  
 And the love that she gave  
 Kneeling by her bed side  
 I can still hear mama say,

As we celebrate Mother's Day this song by Shirley Cesar came to mind. I especially like the phrase, "**I remember mama, and the love that she gave.**"

It's such an encouraging feeling to know that our Heavenly Father and our mamas always give us love.

**The people are depending on you, Shirley, Don't you let them down."**

It's so comforting to know that God will never let us down and we can always depend on him. Likewise a mother's guidance began when we are young because most mothers follow Proverbs 22:6: "Start children off on the way they should go, and even when they are old they will not turn from it."

**I remember mama in a happy way  
 we went to school with holes in our shoes**

We didn't have much money but our home was a happy home fully of laughter and joy because Mama was funny and creative. That's what I loved about my parents. They always wanted us to have it better than they had it. Therefore they stressed getting an education.

**We didn't have much but the lord saw us through  
 Mama kept the family together**

My mother as well as most mothers loves her children so much that they deny themselves so we could have things. In this and so many ways they demonstrated sacrificial love. In this way God made mothers in his own image. While as human beings mothers are not called to give as sacrificially as God did John 3:16 "God loved the people of this world so much that he gave his only Son, so that everyone who has faith in him will have eternal life and never really die' mothers are called to put their children's needs before their own needs. My mother always did.

It's a known fact that mothers are the glue that keeps the family together. We as the children of Mattie Lou Powell always will do for one another for we know that she would want that for she promoted that.

**I remember mama in a happy way  
She packed our lunch in an old greasy bag  
It might've seemed empty,  
But it was more than others had  
It had a lot of love way down deep inside and  
I remember mama in a happy way;**

**Now mama is sleeping in the bosom of Jesus Christ**

One of the most difficult times in my life was losing my Mama in 2017. The only peace I had with my loss is that she asked God to take her... Why? Because she was ready

**Somehow I know she's smiling, she's smiling on us right now  
One day I'll see her again, how happy I will be**

When I decided to relocate to Georgia for a job, I missed my mother so much. This feeling was removed when I convinced her to move here in 1989. Just like I was happy when she moved here physically I'll be so happy when I see her again.

**And I remember mama in a happy way  
my brothers and sisters, they're living far apart**

We as siblings and family members always have a zoom meeting to connect with one another. Although we talk on the phone, it's good to connect virtually with one another.

**Although my mama's gone, she's right here in our hearts  
we're all gonna pull together and stay in the holy place**

One of the things that Mama stressed when she was in the hospital was us to get closer to the Lord. Mama read and studied the Bible daily. And because she knew the Bible she was able to guide her children in the ways of Christ

**I remember mama in a happy way.**

### STRONG FOUNDATIONS

Matthew 7: 24 – 27 reads as follows: *Therefore, whosoever heareth these sayings of mine, and doeth them, I will liken him unto a wise man, which built his house upon a rock. And the rain descended, and the floods came, and the winds blew, and beat upon that house; and it fell not for it was founded upon a rock. And everyone that heareth these sayings of mine, and doeth them not, shall be likened unto a foolish man, which built his house upon the sand: And the rain descended, and the floods came, and the winds blew, and beat upon that house; and it fell, and great was the fall of it.*

Does your financial house have a strong foundation? What is it built on? Will it withstand the storms of life, or will there be a great fall? What does a strong foundation look like?

1. Your income is protected by life insurance. If you died today, what does your family's future look like? Will they not only be able to handle your final expenses, but be able to maintain their current lifestyle?
2. Your credit/FICO score is good. A good score (670 – 790) insures you get good interest rates for homes, cars, insurance, or anything you buy on credit.
  - a. Check your credit report quarterly at [annualcreditreport.com](http://annualcreditreport.com). Get a free report from one of the three credit reporting agencies each quarter or so.
  - b. After you receive the report, check it for errors and correct them. If none, see if there are any bills you can pay off.
  - c. Make sure you have at least one major credit card, and a checking account. Manage these well.
3. You have an emergency fund established. I recommend a minimum of \$1,500 and a maximum of six months of salary (if you are still working). One breakdown or one illness and our houses will tumble down. Twenty-five to fifty dollars set aside each month grows fast.
4. Fund your retirement account. There are few companies today that establish retirement accounts for their employees. If your employer has a 401k or 403b plan, pay into it. If matching funds are offered, pay in up to the match and accept that "FREE" money. Social Security for retirement is 72 – 77% of your salary. Do the math. Can you survive on this, or will you have to keep working until you are no longer able? If your employer does not offer a retirement plan, you can always get an Individual Retirement Account (IRA).
5. Plan to leave a little something-something for your children and your children's children. I know we didn't inherit anything, and we turned out ok; but how much more could we have done if we had a better start. Would you have started that business sooner? What would you have been able to do if you weren't paying student loans for years? Our parents did the best they could, but we can and should do better.

May 2022

Minister Earnestine Thompson, Leader

April was a wonderful month reminding us of spring flowers and the beauty of earth that God created. April was the month of the *Military Child, Mental Health Awareness, and Financial Literacy*. This is when we check our interest rates, property taxes and other tax breaks.

May is *Natural Nurse Week* on the sixth, *Mother's Day*, May 8<sup>th</sup>, *National Teacher Month*, May 15<sup>th</sup> we do not want to forget and not celebrate each of these weeks. We thank Minister Earnestine Thompson and Minister Annie Lester for attending Medicare seminars sponsored by Humana at the Hilton Garden Inn on May 2<sup>nd</sup>. The Douglass Theatre has a free showing on Wednesday, May 11<sup>th</sup> at 2 P.M. that is free to all seniors. Title Summer of Soul. This is history to our spiritual well being and stands as testament to the healing power of music during time of past, both past and present. It includes never before seen performances by Stevie Wonder, Nina Simone, Sly and the Family Stone, Gladys Knight and the Pips, Mahalia Jackson, B.B. King, the 5<sup>th</sup> Dimension and more. On May 29<sup>th</sup> at 7 P.M., the Douglass is presenting another free entertainment titled *Trombone Love and One Love*. This entertainment is a popular outdoor series that continues on front plaza and comes alive with the cool jazz for warm evening. Thanks to generous support of Georgia Power, this year's series is free.

We thank God for Zymecunna Hogues Success at Warner Robins High School. She is a Junior and a Basketball Cheerleader. At their Awards Program Zymecunna received Third Year Principal Award, Honor Chemistry Award, National Beta Club Award, Hospitality and Event Award and Web and Design Award. Way to go Zymecunna, keep up the good work. We are all proud of you.

We all know that our hearts matter. In order to keep spiritually fit, we need consult Great Physician. Healthy heart can do amazing things, if our hearts malfunction, our whole body shuts down. The same could be said of our spiritual hearts. In scripture, the word heart represents the center of our emotions, thinking, and reasoning. It is the command center of our life. We need to take time to hear God's word and do what it says. We may not shout quite so loudly but over time it may give way to a spiritual heart attack. Be thankful God has given us his words. We need his help and not to neglect it, but to use it to align our hearts with his every day. We might look good on the outside without really being good on the inside. The Lord knows us for who we are, our motives and heart are open before him.

Ask him to cleanse us from inside out and help us to live as Jesus did with pure and true. God gives blessings to us so we can give glory to him for a healthier spiritual life, exercise, humility, and care for others. To avoid a breakdown, take a break for rest and prayer. God comforts us so that we can comfort others as we trust God to rule our hearts, our feet can walk his way. We plant and water, but God gives the increases, Jesus specializes in restoration. Master artist is alive and at work within us when all we have is God. You have all you need. The Bible is the bread of life, and it never gets stale. God can use you at any age if you are willing.
