~ ADULT SUNDAY SCHOOL ~

FEBRUARY RECAP

Minister Arie Freeman, Jr.

I Cor. 12:1, 28 – Now concerning spiritual gifts ...And God have set some in the church, first apostles, secondarily prophets, thirdly teachers ...

Adult Sunday School Teachers

Elder Connie Dinkins, Brother Michael White, and Minister Arie Freeman, Jr.

For the month of February, we were in the Winter Quarter which consists of three units; Unit I: Blessing of a Saviour, Unit II: Blessing of the Gospel; and Unit 3: Blessing of Grace in Christ. We were in the last unit, Unit III, Blessing of the Gospel. For February, Elder Connie Dinkins and Minister Arie Freeman facilitated the lessons. This entire quarter, we will be studying from the theme: **God's Great Blessings**.

Unit 3: Blessing of Grace in Christ:

In this unit we will see firsthand the blessings of the Amazing Grace that God has provided for us through Jesus Christ. The people who are willing and faithful to serve Him. That blessing includes belonging to Christ, being assured of comfort and peace and in the midst of our struggles we are never alone. God has done great things and he will continue as we trust and obey Him. The lessons of Unit 3 were **Blessing amid Trials; Blessing of God's Comfort, Blessing of Godliness; and lastly Blessing of Spiritual Fruits**.

Lesson 1: Blessing amid Trials: As we begin this lesson, James starts with two words: Faith and Endurance. We must have faith in the midst of our trials and sufferings. He also tells us when our faith has been tested it is a chance for our endurance to grow. He also says that the trying of our faith worketh patience. As we go through these difficulties, we must seek God's wisdom to help us. **Pt.1: We have to learn that our afflictions can produce something good in us, transparent before God.** It can strengthen our faith and help us to trust God more. **Pt.2: Stay vigilant in our prayers for wisdom, knowledge, and understanding then you can Count it all Joy.** Even though times get rough we must persevere. God has promised a Crown of Life. We will see it in eternity. We have been changed by the power of Christ and given a new life. **Pt.3: That Crown is promised to those who trust and Love God.** Jesus said, "If you love me, keep my commandments". **Pt.4: It is our love for God that enables us to endure whatever God allows in our lives.** God has a perfect gift for us. Jesus is the source of that gift. All good things can be traced back to God. He always wants what's best for us. Share the message of God. We have been given another chance; we should freely reconcile with others. **Pt.5: Do not be deceived, Good and Perfect gifts come from above where God reigns.** The promise is from God and He will never go back on His word.

Lesson 2: Blessing of God's Comfort: In this lesson we examined the outlines the Value of Comfort and the Value of prayer. Comfort and Prayer are essential parts of life. God is called the Father of mercies and of all comfort. It is God who gives comfort personally as we go through the trials and tribulations of Life. God comforts us so we can bring comfort to others. We are partakers in the suffering of Christ and because of this God has promised us strength and rest from our labor. **Pt.1: None of us likes suffering, however there can be a greater meaning behind the suffering.** **Pt.2: We must never think that trouble and trials are accidents. As believers we know that God is always in control, and we must trust Him.** Prayer is of great value. We are told that man ought to always pray because of the Power of Prayer. The trials we go through can extract a heavy burden and

*Learn * Serve * Give * Connect*

that's where prayer comes in. God knows what we go through and all the circumstances and through prayer we know that the God we serve can deliver us. **Pt.3: Never underestimate God's use of our prayers in our deliverance.**

Pt.4: We will learn that God often uses suffering to cause us to lean and depend on Him more.

Lesson 3: Blessing of Godliness: In this lesson we see how the Holy Spirit works in us to produce Christian values. We began with Divine powers which are the forces that transcend human capacities. . God gives us what we need, and He calls us to live godly lives. We are recipients and partakers of the divine power of nature.

Lesson 3: Blessing of Godliness: In this lesson we see how the Holy Spirit works in us to produce Christian values. We began with Divine powers which are the forces that transcend human capacities. . God gives us what we need, and He calls us to live godly lives. We are recipients and partakers of the divine power of nature.

Lesson 3: Blessing of Godliness: In this lesson we see how the Holy Spirit works in us to produce Christian values. We began with Divine powers which are the forces that transcend human capacities. . God gives us what we need, and He calls us to live godly lives. We are recipients and partakers of the divine power of nature.

Lesson 3: Blessing of Godliness: In this lesson we see how the Holy Spirit works in us to produce Christian values. We began with Divine powers which are the forces that transcend human capacities. . God gives us what we need, and He calls us to live godly lives. We are recipients and partakers of the divine power of nature.

Pt.1: People should be able to see Jesus in us by our actions. In Jesus, we have nothing to complain about. He has and will provide for us. Because of this divine power we have been tasked to add essential ingredients to our lives. As disciples we are to continually grow. We grow by increasing in faith, virtue, knowledge, and patience. **Pt.2: God has given us His nature and we must utilize all that he has given us.** As we grow in Christ we can begin to live productive godly lives. This is where endurance and perseverance comes in. We will have some good days and some bad days, but we cannot quit and give up. We must be diligent, steadfast, unmovable, always abounding in the work of the Lord. **Pt.3: We can be confident that God will strengthen us for the task ahead.**

Lesson 4: Blessing of Spiritual Fruits: In this lesson Paul begins by telling of the works of the flesh. Adultery, fornication, wrath, and uncleanness are fleshly. The flesh will crave these desires and we will not inherit the kingdom of God. As true believers we are to stand fast in the liberty Christ has given them. We are not the judge. Don't criticize others. It's all up to God. People will point out our sins. Fruit of the spirit comes from the Holy Spirit. We are to live and walk in the spirit. All the fruit are God-given and we should not want what others have. **Pt.1: The freedom we have in Jesus can help us combat our fight with sin. Pt.2: Our flesh has been crucified and we now live by faith in Jesus.** Jesus changed all of that with his death on the Cross. **Pt.3: We should model the attributes of God in our daily lives.** We have a responsibility to help others. When others slip and fall we have a responsibility to restore others. We are to share in the suffering and burdens of others. Never think too highly of yourself. **Pt.4: Whatever you do, do it in Love, for love overcomes obstacles and breaks barriers.** We must always act in humility and show compassion. We must be supportive of one another. **Pt.5: Never stop doing good. For in due season, we shall reap a good harvest. Let us do good to all men.**

In March we will begin the Spring Quarter discussing the theme: "Jesus Pleases His Father." The Units include Unit I. By His Works; Unit II. By His Sacrifice and Unit III: By His Teachings.

We solicit your prayer as we strive to do the work God has called us to perform.

~ Financial Corner ~

Early Spring?

Sister Wanda Verrett

It's March already! Since the year is speeding by, we need to catch up financially. What things should we be doing now:

- a. If you haven't already, get a copy of your credit report and **READ IT!** Check all the open accounts to be sure they're ones you opened. Check the balances as well. If there are any accounts that show late or missed payments, address these. Are there a few accounts with low balances you could pay off? **NOTE:** If these are major credit cards, don't close them. Just pay the balance and charge something at least once a year to keep them active.
- b. File your income taxes. There is an increase in tax fraud. If you file as quickly as possible, thieves don't have a chance to steal your refund.
- c. If you are not tithing, start! Start with 1% of your income, next month/payday, increase to 3%, increase each payday until you reach at least 10%. As you increase your tithing, make adjustments in other spending.
- d. **Schedule a monthly transfer from your checking account to your savings account.** This is the perfect solution if you look at your budget and know how much you can save. Just set it and forget it.
- e. Review your auto, home, health insurance, cell phone, and cable bills and see if you can save money by switching.
- f. If after checking everything, there is still a shortfall, consider getting a part-time job for a short time to help you pay off those outstanding debts that break your budget.

It's Women's History Month. There are so many fabulous women to talk about this month. Again let's talk about one of the women in the Bible, "The Proverbs 31 Woman. Let's see what she did for her family.

- a. She had the full confidence and respect of her husband and children.
- b. She works with her hands to produce clothing/items for her family.
- c. She shops for her household. (Use those clearance racks and marked down items in the corner)
- d. Girlfriend has a real estate business. (What's your side gig)
- e. She gives to the poor generously.
- f. She keeps check of her business and household affairs. (Maintain your checkbook accurately)
- g. She is clothed with strength and dignity, speaks with wisdom and faithful instruction comes out of her mouth.
- h. She fears the Lord. Make this your priority.

Take an inventory of yourself. We can all do better with our finances. If you need help, give me a call.

(Women's History Month)

By Jacqueline Powell

In all organizations the women play a pivotal role in its success. Women serve throughout Christ's church around the world exalting God in countless ways. Although women can always be found sitting in the pews worshipping with song and praise, let's take a glance at those actively working in our "Daddy's" home.

Let's take a glimpse at the wonderful women working with the men in the Grove Zone. When we enter the doors the first person you'll see is a nurse taking your temperature and "teasing" you with a piece of candy. Along with her, you might find a woman greeting you and making you feel glad to be in the Grove Zone. However, it doesn't stop at the doors.

Look toward the front of the church you might find a woman Elder Connie Dinkins leading the Sunday school lesson. With her as the leader, attendees learn from one another and receive encouragement to live by God's Word. This love will now radiate toward the rest of the services.

Sit back, relax, and enjoy the church services. Church has not officially started until we have opening prayer lead at times by a woman. Take special note of the women exalting God by singing praises to him in the choir. Our praise team, with a number of women, allows all including the congregation praise the Lord in song. We will know what are "the happenings" in the Grove Zone due to our announcements being prepared and read by a woman of God. Of course, we would not have the bulletins as well as our monthly newsletter The GTAH to read if women had not prepared them. You can also read other announcements in the bulletins distributed by the women ushers. These female ushers are happy to help you find a seat if you come in after church has started. The announcements might relate to the congregation that someone a member has passed. We're so blessed to have Deaconesses who will go to the family of the deceased to comfort them. For example, my Deaconess, Shirley Clark showed my family much love when I lost my mother and brother. I know she's not the only Deaconess at the church that would help anyone by visiting those in nursing homes or hospitals, helping elderly shop for groceries, and help them keep medical appointments.

We're fortunate to have many female ministers to deliver the Word through the encouragement of our Pastor Clarke. I'm sure the congregations love our ministers sharing the Word from their own perspective. **More female pastors are involved today in church than ever before.**

There are lots of jobs behind the scene that I might have failed to mention, but we know that God created the church in such a way that it could not function without the contribution of women and men through their Biblically prescribed roles. By giving all women an opportunity to praise him, Union Grove Missionary Baptist Church helps to raise its morale and reputation for showing love to all Christians.
