# ~ DEACON ORDINATION ~

November 5, 2023

## Congratulations Deacon Curtis Solomon and Deaconess Catherine Solomon

- ◆ Charge to Deacon & Deaconess Solomon - Pastor Teddy Madison
- ◆ Charge to the Congregation - Elder Rashee Ragin
- ◆ Consecration Prayer - Dr. David A. Clarke, Sr.

## We're Moving Forward!

By Pastor David Anthony Clarke, Sr.

Grace and peace to you, my beloved church family!

I give God glory for how our church has moved forward the past couple of years. In the past two years in particular, our congregation has progressed by the grace of God and because so many of you have a mind to work. I pray the following accomplishments of our church encourages and inspires you as much as it does me. I'm not taking credit for the following items. I'm simply pointing out how you, as edified, purpose-driven disciples of Jesus Christ, carry on the work to move our church family forward and advance the kingdom of God.

- ⇒ The Summer Lunch Program impacted youth of our church and community again last summer. Thanks to our staff and numerous volunteers, we've continued to meet physical and emotional needs of our church and community through this effort.
- ⇒ Several Union Grove members volunteered to serve on a "Field of Dreams Dream Team" in October of 2023. In the past three months, they've worked to get a preliminary drawing of softball and baseball fields, a pickleball court, and parking lot to be developed on our property. Documents have been signed and submitted to the city of Warner Robins to secure the necessary zoning allowances for us to develop the property to reach our church and community through recreational outreach.
- ⇒ Curtis Solomon was trained and ordained a deacon in November of 2023. His ordination culminated one year of training with our Union Grove deacons.
- ⇒ New church members became trustees of Union Grove and Sis. Margie Tuck became our new Business Stewardship Vision Leader/Chairperson of Trustees.
- ⇒ The Home Ownership Pipeline Enterprise (H.O.P.E.) moved on with one family transitioning out of House of Promise 1 (HOP 1) and another moving in.
- ⇒ A family that was temporarily housed in House of Promise 2 (HOP 2) moved out. Renovations have begun on HOP 2 partially funded by a granted Union Grove received through HUD.
- ⇒ We also continue to serve homeless families through our partnership with Family Promise.
- ⇒ Our Trustees led the effort renovating our sanctuary with the new carpet, refinishing the pews, beautiful stonework, and other furnishings.
- ⇒ We've loosened many of our COVID restrictions, which now allow worshippers to sit anywhere where there's space.
- ⇒ Nu Creation, a ministry that's empowering youth of our church and community, was birthed to provide the participants with skills to compete in a global society. They are receiving help with academics, life skills, and STEM curriculum.
- ⇒ Mid-Day Manna Bible Study has resumed. If your schedule allows, I encourage you to feast on the Word of God with this group on Wednesdays at noon in the Grove Zone sanctuary.
- ⇒ The Word of God is still going forth in Sunday School, Sunday worship, eManna, Mid-Day Manna, Women's Bible study, Men's Bible study, and children's church.
- ⇒ We still have a lively prayer meeting via conference call every Friday at 12 noon. This has been going strong for nearly four (4) years now.

- ⇒ Union Grove has continued to host various outreach events, i.e., Trunk or Treat, etc. We are striving to win souls and meet needs in our community.
- ⇒ We recently resumed hosting funerals at Union Grove. After closing our sanctuary to funerals, weddings, etc., due to COVID, we've again opened our doors to host homegoing celebrations of our church family members.
- ⇒ Members of Union Grove are being trained to become licensed ministers. We praise God for raising servants who are committed to preaching and teaching His Word.
- ⇒ Baptisms are still happening when necessary and new members are still receiving orientation and the right-hand of fellowship.
- ⇒ We remain debt-free!

As we move forward, I am pledging to personally improve in these three areas of leadership:

- ⇒ Focus
- ⇒ Communication
- ⇒ Consistency

As I stated in our congregational meeting at the end of January, here are some goals I've set to improve my service to you as your Senior Pastor:

#### **My Pastoral Leadership Goals:**

1. Develop and deliver a training program for new leaders at Union Grove by August 2024.
2. Host ministry worker workshops regularly this year. We will emphasize focus, communication, and consistency throughout 2024. Dates scheduled: 16 Mar, 18 May & 28 Sept.
3. Contact three sick/shut in members each week.
4. Submit articles in GTAHA each month to boost communication with our church family.
5. Visit Golden Achievers' meetings at least seven times in 2024.
6. Participate in Deacons' meetings at least seven times in 2024.
7. Host one-on-one conversations with UG ministers to facilitate ministers' development. Targeted completion is by the end of April 2024.
8. Boost communication with UG ministers through GroupMe.
9. Boost social media reach with at least one video per month.
10. FaceTime UG staff at least once weekly.

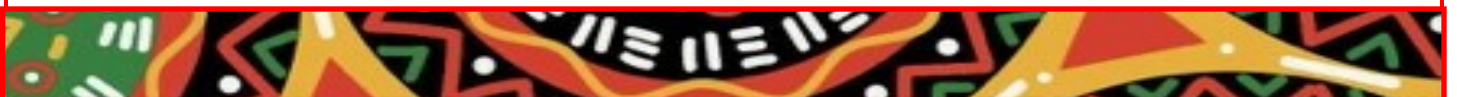

I'm giving God more of me so He can have all of me. I encourage you to do the same. Let's give God glory for those of you serving our church family and community. May God bless you and prosper the works of your hands. Be encouraged. Be inspired. Enjoy the journey!

### LOVE IS IN THE AIR!

It's February 2024. Have you already forgotten your New Year's resolutions or commitments? It's not too late to get on track. Let's review for we decided to do better in 2024, gauge where we are right now, and move forward. If we haven't gotten started, let's begin today. Get a pen and pad and write down your goals for 2024. Studies show that we do better when we write things down. Beside each goal, put the timeline you expect to achieve this goal. Below each goal list the steps it takes to accomplish this goal. Here are a few things that may be on your list:

- a. Tithe in 2024. Start with the percentage you are paying now, and increase one percentage each month, i.e., 5% for February, 6% for March, 7% for April and so forth. By July, you should have adjusted your budget to accomplish 10% of your gross income. Done.
- b. Save more in 2024. How much do you want to save and when is your deadline for that amount?
  - a. Are you saving anything at all? Do you have an emergency fund? If not, this is the first item you need to aim to save. I recommend a minimum of \$1500 and if you are still working, a maximum six months of your salary.
  - b. Do you have a retirement account? If your job does not have a retirement account, you can set up a traditional IRA or Roth account. Remember, your child can borrow money for college, but you can't borrow for retirement.
  - c. Have you been setting funds aside for your child's education? All our children won't be able to get a scholarship.

**IT'S TAX PREPARATION TIME:** You should have received all your tax documents by now. If you can still itemize, start getting your receipts and statements in order. If you anticipate getting a refund this year, make plans for it now. Write those plans down. We tend to forget when that check comes in or hits our account. Some plans could include:

- a. Paying down debt
- b. Starting your emergency fund
- c. Starting your retirement account
- d. Starting your child's education fund
- e. Setting aside for your family vacation
- f. Making necessary home repairs.

**SCAM ALERT:** I'll just say be alert. Never give out your personal information to anyone that you didn't call. The doctor and pharmacy already have your Medicare/Medicaid number. They copied it and put it in your file. The bank has your information as well. **If you call them**, you may have to provide information to prove who you are.
